The headings are obvious, but the small numbers within the black shapes need to be explained.  
 (Ignore the low time values, these are for testing purposes only !!)

This is the number of laps lead by these drivers. This is the gap to the leader.

Under the ‘windows’ menu item,  
 There is a ‘Race Results’ and a ‘Race Results Summary - ALL fields!’ selection as well as the  
 ‘Race Results’ Button on the race screen.

‘Race Results ALL Fields’ , screen is shown below...
